NL RESEARCH CONSULTANTS

2025/26 Service Packages

A practical pricing guide for students, researchers and institutions

RESEARCH SUPPORT, FROM IDEA TO INTERPRETATION

Choose the level of support you need. Prices are listed in Tanzanian shillings (TZS) and reflect the 2025/26 reference schedule. The current fee and final scope must be confirmed before engagement.

1 GETTING STARTED

Title and Objectives

TZS 50,000

Research title and objective refinement.

Concept Note

TZS 200,000

Early-stage research concept development and guidance.

Research Proposal (Master's)

TZS 900,000

Research proposal planning and methodological support.

2 FIELDWORK AND ADVANCED SUPPORT

Data Collection

TZS 1.5M - 5M

Pricing depends on respondent characteristics, research location and fieldwork scope. Clients may provide their own data for analysis.

Data Analysis and Thesis / Dissertation Completion Support

Quantitative only	**TZS 1.1M - 1.2M**
Qualitative only	**TZS 1.3M - 1.4M**
Mixed approach	**TZS 1.3M - 1.5M**

Important: Consultancy includes research guidance, analysis, interpretation and editorial support. Academic authorship and compliance with institutional policies remain the client's responsibility.

NL RESEARCH CONSULTANTS

More services & next steps

4 HOW TO GET STARTED

1. **Choose a package**
   Review the service and indicative price.
2. **Describe your project**
   Share your research level, scope and location.
3. **Confirm and proceed**
   Contact us on WhatsApp for a final quotation.

Pricing note: This is the 2025/26 schedule, not a guarantee of current availability. Ranges depend on project scope. Similarity and AI reports are screening indicators, not definitive proof of authorship.
